We realize that we have a tremendous task to reduce this big stock, but we need the room. We must have the room and are going to make room for our 4th of July business. Cut Prices throughout the house till of our determination.

QUAKE BULLETIN.

Weather Bureau Announces Disturbance 3,000 Miles Away.

Washington, May 31.—The weather bureau today issued the following bulletin:
"A distant earthquake, probably of considerable intensity at the origin, was recorded at the weather bureau in the early morning of May 31. The preliminary tremors began at one minute 26 seconds after midnight, 75th meridian time. The second preliminary tremors began six minutes forty-six seconds after midnight. While the amount of motion recorded was only moderate the duration of the record exceeded an hour and apparently was produced by an earthquake of rather greater than usual intensity. The phases of the motion were fairly sharply indicated and denoted a probable distance of the origin of about 3,000 miles. The record does not indicate any special direction from Washington."

FLYNN AND PAPKE MATCHED.

Will Box 25 Rounds at Los Angeles, June 18.

Los Angeles, Cal., May 31.—Jim Flynn and Billy Papke were matched today to fight 25 rounds at the Verner arena on the afternoon of June 18. They will meet at catch weights which will give the Pueblo fireman an advantage of 15 or 20 pounds. Manager McCarey of the Pacific Athletic club will give another June date to Sam Langford and the winner of tonight's 10 round bout between Sandy Ferguson of Boston and Jake Burns of Salinas. The latter pair clash at the Naud pavilion.

GOVERNOR AT CHANUTE.

Delivers a Characteristic Address on Memorial Day.

Governor Stubbs addressed a large crowd on Memorial day at Chantute. The governor made one of his characteristic speeches in which he referred to Col. Roosevelt as the "greatest man alive today." He talked of the strenuous life of doing things energetically and in a thorough manner, and made reference here to the work of trust breaking now going on all over the country. It is estimated that fifteen hundred people were present at the Chanute meeting, the largest in the history of Memorial day since the city was founded.

Attorney General Jackson addressed a Memorial day meeting in Lyon, Osage county, and had a splendid meeting.

Manual Training Exhibit. An interesting exhibit of the work of the Topeka Manual Training School will be held at the Manual Training building tomorrow afternoon from two to five o'clock. The general public is invited to attend in order to get an idea of what is being taught in this department of the public schools.

Atwood Postmaster Under Knife. J. E. Nichols, postmaster at Atwood, and a well known citizen of that place, came to Topeka to undergo an operation in a local hospital. The operation was performed today and Mr. Atwood is getting along very well, according to the report of the surgeons in attendance.

CHURCH IS ROCK.

Bishop Thomas, of Wyoming, Delivers Strong Address.

Big Cornerstone of New Grace Cathedral Is Placed.

A CREDIT TO TOPEKA.

House of Worship to Cost \$150,000 When Finished.

Churchmen Praise Workers for Great Gift.

Several hundred persons attended the dedicatory exercises in connection with the laying of the cornerstone for the new Grace cathedral, corner Eighth and Polk streets. Shortly after 11 o'clock a parade headed by Marshall's band formed on the Bethany college grounds and marched to the new building site where chairs had been provided for as large a part of the crowd as possible.

Marching to the tune of "Onward Christian Soldiers" the parade wended its way in the following order:

Marshall's band, crucifer, choir, Bethany college girls, faculty of Bethany college, nurses of Christ's hospital, officers of Christ's hospital, lay deacons of St. Simon's church, vestry of the Church of the Good Shepherd, trustees of Bethany college, trustees of Christ's hospital, trustees of Kansas Theological school, trustees of diocesan convention, trustees of church property, trustees of Episcopal fund, wardens of Grace cathedral, the cathedral chapter, crucifer, catechists of diocesan districts, visiting bishops, priests of diocese, rural deans, standing committee, visiting bishops, bishop of diocese.

One hundred persons were added to the crowd at the ceremonies on account of the fact that the fifty-first convention of the diocese of Kansas is now being held in Grace cathedral.

The Right Rev. Frank R. Mills, bishop of the diocese, conducted the services, which were impressive in the extreme. The Right Rev. Nathaniel S. Thomas, D. D., missionary bishop of Wyoming, a son of the second bishop of Kansas, made the dedicatory address.

"The work of the apostles was founded on a rock—our Savior," said Bishop Thomas. "A finer feeling came to exist in the church when the old custom of laying the cornerstone under the foundation was discontinued and the cornerstone placed above the foundation instead."

"It is something to be gazed upon and not hidden away. Christ is gazed upon in his glory—a Savior upon whom we build."

"This building in which one stone is related to another in order to make the whole is like the church. We stand here at a fitting time with the building still incomplete, and certain parts of it yet to be adjusted."

"I can not be unmindful of those who have made it possible to erect this fabric. How my father's heart would rejoice if it was the vision of my father. All honor and glory to those who have had a hand in erection of the building. We are now entering into an act of faith, believing that this wonderful structure will be completed."

Articles in Cornerstone. Below is a list of the articles placed in the cornerstone: A Bible, a prayer book, copy of the Churchman, copy of The Living Church, copies of the Topeka daily papers, Diocese Journal, list of the clergy of Grace parish, list of the deans, the vestry members building committee, members of the finance committee, the names of the architects, the builder, bishops present, and the names of Fry W. Giles and Caroline Giles, who made the building of the new church possible.

The new Grace cathedral will be a great credit to the city of Topeka. The contract was let for \$100,000, but by the time the structure is completed the cost will probably aggregate in the neighborhood of \$150,000.

A light stone is the material being used, and as planned, the exterior of the building will be most imposing. The front will be flanked by two spires 140 feet high. The northern entrance will

be elaborate, the decorative features being terracotta and stone.

Art Windows Feature. There will be two large tracery windows, one on the east side of the structure and the other on the west. They will be 12x30 feet and will be fitted with expensive art glass.

One of the features of the interior will be a 40 foot chancel arch made of Silverdale stone. There will be six stone columns supporting as many aisle arches.

The transept will be 43x56 feet and will have a seating capacity of 1,200; the chapel will seat 100 persons. The entire church structure are 101x155 feet.

Bennett & Allen are the general contractors; the Sargent Cut Stone company has the contract for the stone used in the building; and Root & Stearns of Kansas City are the architects.

Services at Cathedral.

Services will be held this evening at Grace cathedral at 8 o'clock of an interesting nature. The Right Rev. Frank Mills, bishop of the diocese of Kansas, will give a brief address, which will be followed by an address by the Rev. H. Percy Silver, the silver-tongued orator who delighted his hearers in the Auditorium during the Laymen's Missionary convention. The concluding talk will be made by the Rev. Theodore Thurston of St. Paul, Minn.

DRAG NET IS OUT.

Subpoenas Issued for More Members of Illinois Legislature.

Springfield, Ill., May 31.—Preparations were ready today for the presentation of another chapter in the legislative bribery investigation being conducted by the Sangamon county grand jury. With the confession of State Senator W. D. Holstiel fresh in their minds, the jurors waited to quiz Representative C. L. McMackin, Republican of Salem and H. D. McCullon of Louisville, who were subpoenaed several days ago to appear before the investigators. Both McMackin and McCullon are from the Forty-second senatorial district from which Senator Holstiel comes and both voted for William Lorimer for senator, a circumstance which they may be called on to explain.

Another witness scheduled for the questioning today is A. B. Johnston, of the Johnston and Hatcher company, which by the votes of Senators Holstiel and Pemberton and Representative Joseph S. Clark of the legislative committee received the contract for supplying new desks and chairs for the general assembly. For his vote Holstiel confessed he was promised \$1,500, while Pemberton and Clark were accused of agreeing to accept \$1,000 each.

Subpoenas for two more state representatives were issued today. The new ones are for Representative W. Foster of Rushville and B. F. Staymates of Clinton. Both are Democrats and voted for William Lorimer for United States senator. A subpoena has been issued for Nathaniel Cohen, state fish commissioner.

BULLS ARE GAME.

They Put \$27,000,000 Into Cotton on a Falling Market.

New York, May 31.—There was a further and more sensational decline amounting to over \$1.50 per bale in the cotton market today when it was seen that May was going out without any final squeeze of speculative shorts. The price of May cotton sold off to \$14.61, compared with \$14.95 at the close of business last Friday and \$15.50, the highest point of the month, and \$16.46 the high point of the season, made last December. Trading in May was over at midday and the last price was at practically the lowest price of the movement although up to the last moment the bulls gave it support bidding for blocks of 10,000 bales around \$14.60. This closes, so far as the future market is concerned, the operations in May delivery, which have been the heaviest for any one month in the history of the market. It is estimated that the bulls have taken up in the neighborhood of 260,000 bales of cotton, worth approximately \$27,000,000. July and later months sold off to a net loss of about 27 to 31 points.

Big Drop in Cotton. New Orleans, May 31.—Cotton futures broke about 33 a bale late this forenoon, the July option going to a figure 59 points down from the highest level of the morning.

Embroideries of Quality in Beautiful and Original Patterns

Quality is the most important but not the only requisite in embroideries. Style and originality are also needed. Last week we began a sale of fine embroideries having all these essentials, and one extra advantage—extremely low prices. We have every reason to expect that the selling tomorrow will continue with the same activity as last week, for embroideries in the special

lots offered this week are just as valuable as those that have been sold. Plentiful varieties remain for discriminate selections—and some of the lots have been rearranged and repriced for prompt clearance, offering even greater savings than before. An entirely new lot of 20c embroideries for 10c, has been added, and will prove a strong attraction tomorrow.

10c Embroideries--

A new lot of cambric edges and insertions, all matched patterns—new effects—values up to 20c.

Edges 4 to 15 inches wide. Insertions, both plain and double edged from 1 to 2 1/2 inches wide.

27 and 45-in. Flouncings

Of finest swiss and mull, in beautiful Venise, English eyelet and other effective patterns, values up to \$3 a yard for \$1.25

Clearance of Dress Trimmings

A collection of our best trimmings in odd lots—regularly priced at 25c to \$4.00 a yard—divided into three special clearance lots at 15c, 50c, \$1.25 yd.

\$1 Dress Nets on sale at 59c

40-inch nets in white, cream, ecru—dotted and figured designs. These can be dyed in any color to match wool or silk fabrics, yard.... 59c

Those Becoming Wash Dresses in the Window

are representative of the many styles shown in the Department. The beauty and practicality of ready-to-wear frocks for summer has never been more strongly emphasized than in our present showing. These dresses are all made from the best fabrics such as you would select if buying the materials. They are beautifully designed and skillfully fashioned in every detail—yet are so inexpensive that making summer dresses seems out of the question—after seeing these.

Braided dresses of poplin, rep, linene and other fabrics from \$6.50 to \$10.00
Percalé dresses in simple styles, from \$2.50 to \$5.00

Lawn dresses prettily trimmed or plain, from \$2.50 to \$10
White Lingerie—beautiful styles, from \$3.95 to \$27.50

Colored Lingerie—light, summer colorings, from \$6.50 to \$25

THE MILLS DRY GOODS CO.

GUESS ON THE CENSUS.

Rumor That It Will Give Topeka 45,000 Population.

A rumor is being circulated that the 1910 census will give Topeka a population of 45,000. Supervisor Van Sant said today: "I have made no estimates whatever and contemplated none. All estimates were forwarded direct upon their return and I can not say what the final showing will be. My estimate would have to be a simple guess like anybody else and would be of no more value."

Two things are certain, however, and that is that our enumerators made an exhaustive campaign and that there was no padding of the census as has been reported in other cities.

"The reported interview that I was discredited by the newspapers and the Commercial club for not assisting in getting the census is misrepresented. The papers did nothing in the matter and the Commercial club offered to hire an assistant for me to do special work in watching for pickers."

I did say that the Kansas City and St. Joseph plan adopted by the Commercial club of getting out card and index of the city before the enumerators went out was a good one but I also said it was too expensive to be attempted here."

WITH MASONIC HONORS.

J. C. Marshall Buried in Topeka Cemetery by Masons.

With the honors of Masonry the body of John C. Marshall, one of the prominent Masons and business men of this city, was placed in its last resting place in Topeka cemetery Monday afternoon. The funeral was the largest this city has ever seen in charge of Masonic organizations. It was a last tribute of brothers to a brother, gone to the Great Grand Master and hundreds of Masons attended.

At the Marshall home, 614 W. Tenth avenue the Christian burial service of the Knights Templar was rendered and at the grave the Masonic services were conducted under leadership of George W. Hart, worshipful master of Sloam lodge No. 25. In addition to this lodge the following organizations took part:

Topeka Commandery, No. 5. M. A. Scott, F. M.

Orient lodge No. 51. F. E. McFarland, W. M.

Golden Rule lodge No. 90. S. E. Elder, W. M.

Topeka lodge No. 11. J. B. Doneyson, W. M.

The remains were borne to the grave by the following: Master Masons, W. C. Chubb, W. W. Burdick, Thomas Reinhardt, William Brown, Charles Figg and M. Robinson.

Mr. Marshall is survived by his wife and two sons, aged 4 and 2 years respectively.

Kansas Postmasters Named.

Washington, D. C., May 31.—President Taft late this afternoon sent the following Kansas postmaster nominations to the senate: Theodore Griffith, Great Bend; Samuel C. Labauge, Harper; Frank W. Bevington, Jewell; Laville H. Boyd, Russell.

Banker Held on Smuggling Charge.

New York, May 31.—H. R. Lyon, who is said to be the president and vice president of several banks and corporations in Minneapolis, Minn., was held today on the charge of smuggling two pearl necklaces, a brooch and gold watch.

Nothing so good for the table as pineapples.

STOCKS GIVE WAY.

Under Influence of Proposed Suit Against Railroads.

New York, May 31.—Prices of stocks gave way with some violence when the news was received of the determination to apply for an injunction against the proposed rate increases by western railroads. The weakness was not confined to that group of railroad stocks, the industrials coming fully into the movement.

Reading led the decline with the loss approaching five points in the early afternoon and the Pacific group lost. The market has shown a surging tendency during the morning before the announcement from Washington, but the petitions by western shippers through the attorney general in favor of the action now decided on was the subject of the stock market discussion from the outset.

KNIGHTS OF COLUMBUS DINNER.

Two Hundred and Thirty-Six Dine at Hotel Baltimore.

Kansas City, May 31.—The Fourth Degree Knights of Columbus of Kansas and western Missouri closed a day of festivity with a dinner at the Hotel Baltimore last night. Two hundred and thirty-six guests were present. Dr. E. H. Zwart, master of the Fourth Degree of western Missouri, was toastmaster. Other speakers were the Rev. Francis M. Orr of Frankfort, Kan.; Thomas J. Coughlin, national director of the Knights of Columbus; J. W. Gibbons, master of the Fourth Degree of Kansas; Dr. J. E. Purcell, treasurer of the Fourth Degree of Kansas City; D. A. Murphy, district deputy, and C. J. Lawler, advocate of the Kansas City council.

Yesterday afternoon 175 candidates were admitted into the fourth degree at the new club house, 229 Main street. This is the highest degree that can be conferred in the Knights of Columbus. It has been three years since a class in the fourth degree has been received in Kansas City.

Suing Her Landlady. The damage suit for \$200 instituted a year ago by Mrs. Elizabeth Travers

against her former landlady, Mrs. Isaphine Faust and C. D. Skinner of the Merchants Transfer and Storage company for conversion of her household property to their own use was begun in the district court this morning.

FITZHERBERT WINS.

Gravesend, May 31.—Fitzherbert won the Brooklyn handicap; Olamba second; Prince Imperial third.

New Charters Granted. The Agard Lumber Co., with headquarters at Topeka, was granted a charter today by the state charter board. The new corporation is capitalized at \$25,000 and the directors are as follows: W. G. Agard, C. G. McCleary and C. H. Makins of Topeka, C. V. Demar of Kansas City and G. E. McCleary of Manhattan.

Bank Robbed of \$2,000. Wausau, Wis., May 31.—The Bank of Unity, near here was robbed today of \$2,000, the safe being dynamited. The robbers escaped. It is believed there were two men connected with the robbery.

DEATHS AND FUNERALS

Mrs. Mary A. Boyd, aged 53 years, died yesterday of spinal meningitis. The funeral will be held this afternoon at the late residence, 425 Garfield avenue. Interment in Mount Hope cemetery.

Mrs. Mary C. Wallace died Monday at the home of her daughter, Mrs. J. T. Westbrook, 722 Morse street, of cancer. She was 75 years old. Mrs. Wallace was an early settler of Shawnee county, having resided here for 50 years. One son, T. D. Wallace, survives her.

LOCAL MENTION.

The paving between Kansas avenue and Jackson street on Tenth would be a disgrace to a country village.

A free concert will be given in the East Sixth street park tonight by the Oakland band.

—we invite every man in Topeka who is interested in high-grade Blue Serge Suits to see those we are showing now at \$25. They are without question the finest models ever displayed in this city—fully equal to the best serge suits selling in town—equal to \$30—special at..... \$25
